qualified to practice securities, futures and funds

EXPERIENCE

Mr. Zhang has more than 10 years of legal experience, and he is mainly engaged in litigation and non-litigation services such as dispute resolution, M&A, private equity funds, non-performing assets, and financial leasing. He has provided comprehensive legal services for many domestic listed companies' securities issuance, bond issuance, investment, financing and mergers and acquisitions. His practice experience(especially the practice experience of serving as legal counsel for large and medium-sized enterprise groups and representing several civil and commercial litigation cases) has given him a deep understanding of the concept of "prevention first" legal risk management and has developed a mature and thorough legal risk management plan, including but not limited to the establishment of legal risk management structure, management process design, improvement of management mechanisms and systems, and the templateization of common legal documents.
